FASHION EDITOR MELISSA WOODLAND ON WHAT YOU NEED TO KNOW

THIS MONTH...

Working Wardrobe

Making your wardrobe work for you isn't always that easy. So many of us have beautiful pieces languishing at the back of cupboards because we just don't know what to do with them. The arrival of a professional stylist Julie Hurst is set to change all that. Her former London-based style consultancy SIGNATURE has relocated to Tunbridge Wells and offers clients the chance to project a more stylish and confident image, simply make the most of their existing clothes or discover new boutiques and designers.

Julie is the product of a leading image training centre and has studied at the London College of Fashion, Central Saint Martins College of Art & Design and Istituto Marangoni, the Italian Fashion School. Her consultation services start at £100, but packages are tailored to the individual clients. signaturestyleconsultancy.com 07954 365320

Do you have a collection or an item that you'd love to see featured on our new look fashion pages? Perhaps you're the exclusive stockist of a new range of jewellery or your own designs are on sale in the town? We'd love to hear from boutiques, designers and fashion buyers about what Tunbridge Wells should be wearing and what you'd like to see us writing about. Just drop a line to Fashion Editor Melissa Woodland, melissa@magazinepeople.co.uk
