

CAPITAL STYLE COMES TO KENT

Former London based SIGNATURE style consultancy has relocated to Tunbridge Wells, where founder professional stylist Julie Hurst is now offering her fashion forward services to local clientele.

SIGNATURE style consultancy offers a truly personal service. Whether clients are keen to project a more stylish and confident image or would like some help refreshing and reorganising their wardrobes, want to learn how to make the most of their existing clothes or simply discover new boutiques and labels, Julie will tailor a unique package to suit.

Julie trained at London's leading image training centre and has studied at the London College of Fashion, Central Saint Martins College of Art & Design and Istituto Marangoni, the Italian Fashion School.

She recognised that for many, fashion is simply no longer fun and wanted to share her wealth of knowledge in this area with other women so that

they too can enjoy clothes. Julie's career background is in international business.

"As the former Managing Director of a global consultancy firm, I often struggled, as many women do, to find time to invest in myself," said Julie. "Offering clients a flexible, tailor made service was therefore essential," she added.

To accommodate today's busy schedules, appointments with Julie are available seven days a week, during the day or in the evening, and at a venue most convenient to her clients.

Julie Hurst is a Registered Affiliate of the International Federation of Image Consultants and was shortlisted as a finalist by the Federation for their 2008/9 Spirit of Inspiration Awards.
